MEMORANDUM FOR: PROJECT DIRECTOR, PROJECT AQUATONE
ATTENTION:

SUBJECT: Establishment of TALENT Control Office, Headquarters USAREUR (C)

ARMY Declass/Release Instructions On File

1. In accordance with paragraph 2 of the TALENT Control System Manual 1956, CIA, approval is requested for establishment of a TALENT Control Office at Headquarters, USAREUR, Heidelberg, Germany, and Headquarters, SETAF, Verona, Italy.

2. These offices will be established in a secure building in both Headquarters, which will have the same physical security measures as the ACSI TALENT Control Office. TALENT Control Officers will be appointed to execute the responsibility outlined in the ACSI TALENT Control Manual. The offices will function under the supervision of the ACSI TALENT Control Officer. TALENT material transmitted to the USAREUR and SETAF TALENT Control Offices will be limited to that considered essential for initiation and implementation of war plans. These materials will not be disseminated below Headquarters, USAREUR and SETAF. Only personnel having a "must know" to accomplish assigned functions will be briefed. It is anticipated that the number will not exceed twenty-four (24). (See Inclosure 1.)

3. An oversea edition of the ACSI TALENT Control Manual is being prepared in conformance with the oversea edition of the TALENT Control System Manual 1956, CIA. This manual will be published prior to the establishment of the USAREUR and SETAF TALENT Offices.

4. The USAREUR and SETAF TALENT Offices will not be authorized to receive and store TALENT material until they have been inspected and approved by an officer from the ACSI TALENT Control Office.
